

# Voices of the Maine Fishermen's Forum

Hosted by  
The First Coast  
+ Maine Sea Grant  
+ College of the Atlantic

Do you have a story  
about the ocean,  
fisheries, or life as a  
year-round Mainer?

Do you want to pass  
your knowledge and  
legacy on to future  
generations of Maine?

Working with College of the Atlantic students and the Eastern Maine Skippers Program, The First Coast and Maine Sea Grant invite Forum attendees to share thoughts and stories about Maine's fisheries past, present, and future.

Come find us in the 31' vintage Airstream at  
the 2018 Maine Fisherman's Forum  
March 1-3 / 10a-10p

**Sign up for a storytelling slot!**
