Brynn Dooley, left, and her sister Merrit, sisters and students at Portsmouth High School, have successfully pushed an initiative for the school to eliminate use of Styrofoam lunch trays in place of paper compostable trays. [Rich Beauchesne/Seacoastonline]

Tandem Coffee Roasters is going green, one cup at a time

In an effort to be more eco-friendly, one local coffee shop instituted a cup charge. Tandem Coffee Roasters changed their pricing structure on Tuesday.

PORTLAND, Maine — Tandem Coffee Roasters opened in 2012. Two years later, Will Pratt saw a desperate need to go green.

"Just the amount of single use things that we go through, you know; coffee shops can't turn a blind eye to that stuff," said Will Pratt.

California city approves 'landmark' plan to curb food-related waste that includes 25-cent fee on disposable cups
